

“Congressional Members & Staff Tour”

The Unified Communications Center Government of the District of Columbia

Come see the latest emergency communications technologies!

The Unified Communications Center (UCC) consolidated key public safety communications functions of multiple DC agencies. It is the new home of the **Office of Unified Communications** and the **Regional Incident Command and Control Center**. District E911 **“first responder”** calls and other public service calls will be received and processed ***faster*** at the UCC.

When: Friday, September 29, 2006
Where: 2720 Martin Luther King Jr. Ave., SE
Washington, DC
Tour: 10:30 to 11:30 a.m.
Speaker/Lunch: 11:30 to 1:00 p.m.

**Transportation from Capitol Hill – Rayburn Horseshoe
Pick Up 9:30 a.m. – Van Departs Promptly at 10:00 a.m.**
