

E-911 Defined

- Pinpoints the exact location of a 911 call in a building
 - FLR 10 STE 100 RM 104
 - FLR 3 6th AVE WALL
- Essential for multi-floor building and campuses
- Puts location information directly in the hands of emergency responders
- Saves lives!

Why do we need E-911?

- **Over 50 million workers do NOT have 911 protection from 9 to 5**
- **If you dial 911 from this building, nobody knows where you are.**
- **Without E-911, BEST CASE, emergency responders know your street address**

What are the issues?

- **There are NO technology issue to implement wire line E-911**
- **For the price of ONE MONTHS PHONE BILL, companies can implement E-911**
- **Companies are ready to implement E-911.... THEY ARE JUST WAITING FOR CLEAR DIRECTION FROM CONGRESS**
- **Congress should make the NENA model legislation the law of the land**
